A Delphi Survey of Comparative Librarianship

March 28th, 2020 - Int Libr Rev 1975 7 417-426

A Delphi survey of comparative librarianship is coming to the end of its first decade. This is a good time to pause and speculate about the next decade in any other subject within librarianship, it means different things to different people and just now there is a great deal of soul searching going on international and comparative librarianship concepts and methods.
